Peter H. Reynolds

creativity /ˌkriːeɪˈtɪvɪti/

noun

- the use of imagination or original ideas to create something;
inventiveness.
- the ability to produce original and unusual ideas, or to make
something new or imaginative

творчество

International Dot Day is a celebration of creativity that was inspired by Peter H. Reynolds' book "The Dot".

The storie "The Dot" provides encouragement for children — and grown-up children — to discover, explore, and develop their voice and express it in a unique way.
